- soserious

Want to buy more CryptoKitties?

Buy Ethereum here using Coinbase:

<https://www.coinbase.com/join/585c5242468d0302e5e7b8ae>

The image shows a screenshot of the Coinbase interface for buying Ethereum. At the top, there is a 'Currency' section with two radio buttons: 'Bitcoin' (unselected) and 'Ether' (selected). Below this, there are two input fields separated by a double-headed arrow. The left field contains '0.00312 ETH' and the right field contains '10.48 USD'. At the bottom of the interface is a large blue button labeled 'BUY ETH'.
